Since then, there has been a substantial increase in cost of construction /flat/house. Steep rise in house property has been marked over the past years. For the reason, the employees are unable to acquire dwellings (house/flat) within the existing limits of staff housing loan. Under the circumstances, the employees, in many cases, have to raise housing loan on commercial terms as well from other financial institutions. Looking into the increase in cost of construction/flat/house and increase in repayment capacity of the employees on account of wage revision, Department felt that the present limits of Staff Housing Loan need to be enhanced.

Now, we are pleased to inform that the Board of Directors in its meeting held on 25/01/2021 has approved few modifications/improvements in the Staff Housing Loan Scheme which include increase in monetary ceiling of loan quantum; the said modifications in the scheme will be effective from date of approval.

For ready reference, we are enclosing herewith the detailed revision in Staff Housing Loan Scheme incorporating therein all updated modifications as annexure- I.

Copy of this Circular should be brought to the notice of all staff members of Branches/Offices and also be prominently displayed on the Notice Board for information of all concerned.

11. Procedure For Conversion Of UCO Home Loan / Liquidation Of Other Housing Loans :		
<p>(i) On receipt of request conversion of UCO Home Loan/ liquidation of other Housing Loan from the eligible employee for closure of UCO Home Loan account and/or liquidating of other housing loan, the Competent Authority shall sanction fresh Staff Housing Loan (within the eligibility arrived at in respect of the said Loan) in terms of the Scheme. While considering fresh sanction, the present outstanding amount in UCO Home Loan account and in other housing loan may be treated as principal loan amount for fresh sanction which shall be utilized for repayment/liquidation of such account(s). On sanction of fresh Staff Housing Loan, sanction letter to be given to staff containing necessary stipulations. Stamped agreement/undertaking from the staff to be obtained as per ANNEXURE –E.</p> <p>(ii) However, such additional Staff Housing loan under this Scheme for liquidating the liability of UCO Home Loan and/or other existing housing loan(s) raised for purchase/acquiring of another house/flat and also additional requirement of funds will also be sanctioned / disbursed afresh. While considering so, present outstanding in existing debts will be treated as principal amount and additional requirement, be considered within the entitlement. Existing outstanding will be liquidated first and further disbursement, if any, will be made for such house/flat/project and relative repayment schedule will be fixed as per existing norms as stated above.</p>		

There may be different situations in respect of liquidating of such previous liabilities, for example —

(a) Where entire loan amount gets liquidated — Fresh Staff Housing Loan account will be opened as explained above with repayment of principal and interest as per this Scheme. The Bank's charge over the property will continue to be extended for fresh Staff Housing Loan.

(b) Where part of the loan amount gets liquidated — Portion of loan eligible (i.e. as per entitlement) for liquidating of loan would be transferred to a fresh staff housing loan account with repayment as explained above. The residual portion of loan will continue in the existing loan account. The charge over the property will continue. Residual portion of loan may be permitted to be repaid in remaining repayment period as per original schedule of UCO Home Loan after reworking the amount of EMI.

(E.g. If there is a UCO Home Loan with balance outstanding of Rs.15.00 lakh availed for the purpose of Repair and Renovations/Extensions. When an officer employee applies for conversion of this loan, Rs.12.00 lakh alone will be converted as Staff Housing Loan, as per the eligibility norms for that purpose as per clause 2(B), and remaining amount in balance outstanding should continue to remain in the UCO Home Loan only.)

Immediately after liquidating the liability of UCO Home Loan account by sanctioning fresh Staff Housing Loan, an acknowledgement of loan & creation/ extension of charge over security is to be obtained from staff as well as guarantor(s).

12. Permission To Dispose/Sell House/Flat :

In case staff member intends to dispose/sell the house/flat purchased/acquired by him/her, by availing Staff Housing Loan and intends to acquire/purchase new/alternate house/flat by availing additional Staff Housing Loan, permission of the Bank for the same is required to be obtained. The said permission may be given by the Competent Authority. The Competent Authority shall be the Authority under whom the sanctioning power is rested with.

13. General Guidelines :

(a) While creating equitable mortgage, due care is to be exercised and all the documents, necessary for the same to be obtained as per the law of the State wherein the equitable mortgage is being created. Wherever registration of mortgage is required, the same should be complied with.

Generally, the following documents are obtained at the time of disbursement for the purpose of creation of valid equitable mortgage depending upon the individual case for e.g.

- (i)** Registered Agreement for sale/sale deed/ conveyance deed.
- (ii)** Share certificate of Co-operative Housing Society.
- (iii)** No objection Certificate from the Society in the Bank's prescribed format.
- (iv)** Blank transfer forms of shares signed by the borrower.
- (v)** Certified copy of the conveyance deed.

- (vi) Permission from builder/developer consenting to create mortgage in the Bank's prescribed format.
- (vii) Title and Search Report (Search for 13 years).
- (viii) Valuation report.
- (ix) Letter from the Society regarding registration of lien in their records.
- (x) Any other document required for creation of valid equitable mortgage.

However, in certain cases, it is not possible to create equitable mortgage before disbursement of loan to staff members, either because the last document of title to the land/built house/flat such as Sale Deed etc. is required to be sent for registration to the Registrar of Assurances or where Urban Land (Ceiling & Regulation Act, 1976) is prevailing, it is necessary for the staff members to obtain permission of the competent authority to create the mortgage in favour of the Bank. In such cases, additional documents as mentioned below to be obtained along with the other documents mentioned above for creation of valid equitable mortgage:

(i) A power of attorney as per **ANNEXURE 'F'** should be got executed by the borrower/staff member on stamp paper of appropriate value.

(ii) Stamped Undertaking from the staff member to be obtained stating when the agreement for sale/sale deed/conveyance deed will be executed and the same will be submitted for registration. A copy of the said Agreement/Deed to be submitted along with the Undertaking. A letter from the borrower will be obtained requesting disbursement of the loan amount by means of Pay Order/DD, authorizing the Bank to deliver the said Pay Order/DD to the vendor/builder/developer etc.

(iii) Stamped Undertaking as per **ANNEXURE 'G'** to create equitable mortgage on the date of execution of agreement for sale/sale deed/ conveyance deed by deposit of certified copy of the said document, along with receipt issued by the Registrar for the original deed deposited with him for registration, in case the registered document is not made available to him immediately.

(iv) Equitable Mortgage should be created by deposit of certified copy of the title deed to the property and receipt issued by Sub-Registrar for the original title deed lodged with him for registration, in case registered title document is not available, the Zonal Manager of concerned Zone can only approve such deviation.

In addition to this, a letter of authority issued by the borrower in favour of the Registrar as per **ANNEXURE 'H'** authorizing him to send the registered document directly to the Bank should be obtained in duplicate and original letter to be sent to the Registrar and acknowledgement to be obtained and kept on record. The original document to the title of the property should be collected from the Registrar as and when ready and kept with other security documents.

(b) Routing of Terminal Benefits and Monthly Pension: In respect of Pension Optees who have availed Staff Housing Loan facility with extended repayment period beyond the superannuation date, the Terminal (Retirement) Benefits should be routed through the branch from where the Staff Housing Loan is availed.

Till entire liquidation of the staff housing loan, the monthly pension payable to the employee should invariably be routed through the branch from where the Staff Housing Loan is availed.

(c) Staff Housing Loan shall be sanctioned before date of superannuation of employee.

(d) Any misutilization of the Staff Housing Loan facility will attract disciplinary action as per staff regulation of the Bank in force. Housing Loan facility shall not be a matter of right of the employee & Bank has discretion to consider housing loan on case to case basis.

(e) Branch shall open account in proper scheme code for 1st housing loan, 2nd housing loan and loan for repair and renovation, so that interest benefits are not overlapped in multiple loan accounts.

(f) Revised application form for staff housing loan is enclosed as annexure-II
